Advancing business together

MEMBERSHIP INFORMATION PACK

What we offer

Becoming a member gives you and your company benefits to take advantage of:

Representation and Advocacy

We provide a voice for our members from local to national Government levels addressing key issues affecting Cobh, the Great Island, and Cork Harbour. We can also lobby or represent you, on any issues or challenges facing your business.

Business Event Meetings

An excellent opportunity to hear first class speakers and meet other members and guests. Our business breakfasts are in partnership with the Port of Cork, at a reduced rate for members.

Business Spotlight

An opportunity to “pitch” your business at one of our business breakfast events, exclusively for members.

Opportunities to Connect

Chamber events to connect with other professionals and businesses, all set in locations around Cobh and the Cork Harbour. These events include our Chamber Connections series, Business After Hours, business lunches and the annual President’s Gala Dinner.

Weekly Newsletter

A weekly online roundup of news from the Chamber including events, member news, and community information. All new members receive a special welcome section with branding and contact details.

Promotion

A platform to promote your business and services via communications, online social media platforms, exclusive member to member offers & referrals and listing on our website.

Additional Benefits

- Export Documentation Services

Complimentary Board Room facilities for members.

- Plasma TV screen advertising in our office, including the Cobh Tourist Office.
- 10% discount on all administration services.

About Us

Cobh and Harbour Chamber is a group of local business representatives and community leaders, deeply committed to advancing the economic and social progress within Cobh, the Great Island and the Cork Harbour community.

Founded in 1958, Cobh & Harbour Chamber serves businesses by providing a platform for networking, advocacy, and education. Through strategic partnerships and initiatives, we strive to develop the communities we serve, fostering a sustainable and inclusive environment for residents and visitors alike. With a history of proactive engagement in economic development, educational training, networking, and advocacy, we act as a liaison between our members, local authorities, community stakeholders and government bodies.

We are also part of Chambers Ireland, actively involved in various policy issues, research, and corporate social responsibility.
